PURE CREAM

ICE CREAM

Ask ten of your neighbors which ice cream they like the best and nine of them will answer Mid-West. The tenth probably does not eat ice cream at all. Or better still, follow the crowds to the popular fountains and you'll find them almost to a person asking for Mid-West. Because Mid West ice cream is pure and wholesome it is recommended for any home by those who know best.. Get the habit of serving it once a day. ...

S. I. N. U. Loyalty Song

Sing the glory of our native land,
And of storied Illinois,
Hail the heroes of each faithful band,
Who answered their country's call.
Alma Mater, of thy glory too,
Of thy victories past and still to be,
Sing we all, dear S. I. N. U.,
With pride and love for thee.

S. I. N. U. we are loyal and true;
Alma Mater, thee we hail
Steadfast we stand here in Egypt's sunny land
Giving honor to thee, all hail!
Year by year, thrilled we hear all thy sons and
daughters cheer.
When the White and Maroon they view
Comes an echo on the breeze,
And its joyous tones are these
Hail S. I. N. U.

SOUTHWEST CORNER OF CAMPUS

HISTORY OF S. I. T. C.

The Southern Illinois Teachers College enjoys the largest enrollment of any degree-conferring institution in Illinois, with the exception of Chicago, Northwestern, and Illinois universities; and it has the tenth largest enrollment of any teachers college in America.

Our college, chartered as the Southern Illinois State Normal University, opened in 1874 with one building, very few students, and a limited faculty. Its growth within the last twenty years has been nothing less than amazing. From a mere normal school (little better than a high school) the institution has developed into a college which is given a rating by the three greatest standardizing agencies of this region, the University of Illinois, The American Association of Teachers Colleges, and The North Central Association of Colleges and Secondary Schools. This growth and development is directly attributed to the imagination, forethought, and careful planning of President Shryock. No other person, in the history of the college, has contributed to its unprecedented development as has President Shryock in his twenty-one years of administrative work.

CHRISTIAN ASSOCIATIONS

The Young Men's Christian Association and the Young Women's Christian Association both have well-conducted organizations, which meet weekly in rooms fitted for their use on the third floor in the new Chemical and Manual Arts Building. Their committees look after new students upon their arrival and those who may be sick while attending school, and in many ways minister to the wants of their fellow students. The State College secretaries of each of these branches of Christian work pay the institution a visit twice a year, or oftener, for conference and direction of work. New students upon their arrival may recognize the representatives of these associations by special badges worn, indicating their willingness to render their kindly services whenever needed. These persons may be trusted implicitly in directing strangers to boarding houses and clubs.

SOCIAL RULES

For the past several years the social functions of S. I. T. C. have been governed by rules drawn up by the Social Committee under the chairmanship of Miss Mary Entsminger, working with Dean George Wham, Dr. Thelma Kellogg, Dr. R. A. Scott, Mr. William McAndrew, Miss Frances D. L. Etheridge, Miss Mary Crawford, Miss Esther Power, and Dean Lucy K. Woody.

These social rules, which will be enforced again this year, are the following:

1. Social functions include parties, banquets, dances, and such other gatherings as are not directly educational in nature and purpose.

2. The number of social functions given by any one organization may not exceed two in any one term.

3. Attendance at a social function is limited to students enrolled at the time the function is held; to alumni of the organization sponsoring the functions, and to such guests as may be officially invited to attend.

4. All social functions must be chaperoned. The date and duration of the function, list of chaperons, admission fee, if any, as well as the general type of the function must be approved by the Social Committee a reasonable time before the event.

5. No function, social or otherwise, lasting later than 9:30 may be held on an evening preceding a school day, unless by special permission of the Social Committee.

6. Any organization violating any of the above rules will be prohibited from holding any social function during such time as the Social Committee may prescribe.

S. I. N. U. LOYALTY SONG

Sing the glory of our native land,
And of storied Illinois.
Hail the heroes of each faithful band,
Who answered their country's call.
Alma Mater, of thy glory too,
Of thy victories past and still to be,
Sing we all, dear S. I. N. U.,
With pride and love for thee.

S. I. N. U., we are loyal and true,
Alma Mater, thee we hail!
Steadfast we stand, here in Egypt's sunny land
Giving honor to thee, all Hail!
Year by year, thrilled we hear
All thy sons and daughters cheer
When the White and Maroon they view.
Comes an echo on the breeze,
And its joyous tones are these:
Hail, S. I. N. U.
